## HISTORIC AMERICAN ENGINEERING RECORD

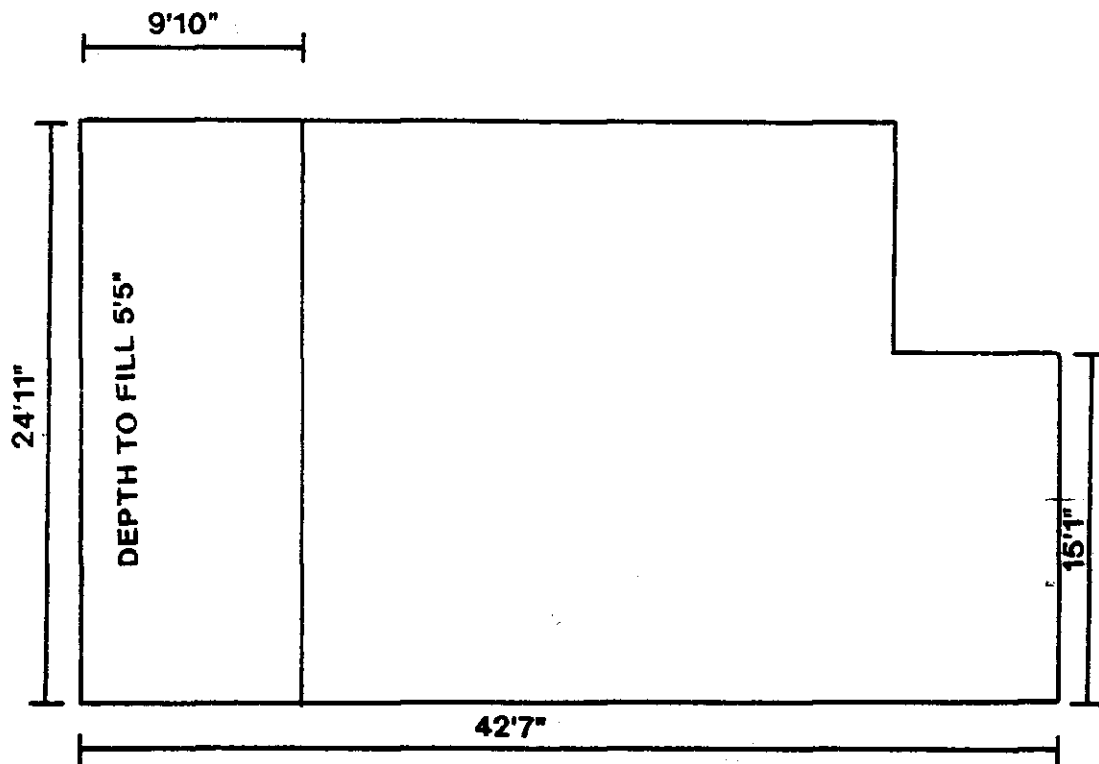

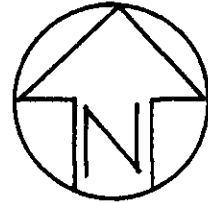

Superior Coal Mines, Concrete Foundation  
HAER No. WY-51-W

Concrete Foundation: 48SW4068, Structure W (NE/NE/SW/NW Section 28,  
T21N, R102W 12/668740E/4625780N).

Structure W is a concrete foundation. The foundation is located along the south slope of Horse Thief Draw approximately 1/3 mile northwest of Superior.

The foundation is rectangular in shape with the long axis oriented from east to west. The overall dimensions are 42 feet 7 inches east to west by 24 feet 11 inches north to south. The foundation is divided into two rooms, a west room which is 24 feet 11 inches north to south by 9 feet 0 inches east to west. This room is 5 feet 5 inches deep to fill. The east room is larger, being 32 feet 3 inches east to west by 24 feet 11 inches north to south. This room is filled nearly to grade with earth. The east room has a short wing extending eastward from the east wall. This wing is 6 feet 9 inches east to west by 15 feet 1 inches north to south.
